FARM TENDER

Australia's Leading Online Ag Marketplace designed by farmers for farmers.

A trusted agri-marketplace of 84,000+ Australian farmers who buy, sell & auction farm stuff daily.

Amplify your brand to our in-market farming community & reach one of the largest databases of farmers in Australia.

The only digital ag marketplace with a team of real industry professionals supporting our farming customers throughout the buying and selling experience.

Who We Are

Established in 2012, Farm Tender is a proudly Australian owned family business with a team of passionate farming industry professionals across the nation.

Designed with the consumer in mind, Farmtender.com.au has evolved to be the 'go-to' marketplace for Australia's farming community to buy and sell everything related to agriculture in one 'simple-to-use' platform.

Farm Tender's experienced support team deliver exceptional customer service to our buyers and sellers - maximising every sales opportunity on behalf of our farming customers.

Adopting the latest in technology, we continuously innovate our products and platform to ensure we retain our position as a leader as an online ag 'buy and sell' marketplace.

Farm Tender Daily

Our daily eDM is sent to over 48,000 ag subscribers Monday to Friday.

Farm Tender Daily provides a rare voice to the farming community sharing anecdotes, insights and commentary on the latest agribusiness news, trends and industry issues relevant to farmers.

Farm Tender daily emails reach a highly engaged audience with an impressive, above average open rate of 36.75%.

Digital Advertising Opportunities

Effective digital advertising solutions tailored to grow your ag brand.

FarmTender delivers convenient online accessibility on multiple devices, national reach and engagement with a broad farming audience.

Market to our highly engaged farming community of 181,700 unique monthly browsers.

50+ new members on average joining daily and a high rate of new product listings keeps our farming subscriber base actively growing every day.

Optimise your marketing campaigns and deliver your brand message direct to a farming audience when they are actively looking to buy.

Running digital advertising in Farm Tender's Daily newsletter and on www.farmtender.com.au has definitely boosted our brand awareness. We found it to be an easy and cost-effective way to reach farmers who spend a lot of their time online. We've been impressed with the response, including direct phone calls from seeing our ads—definitely great value for the investment..
